**Re:** MN-FISH Life Membership # 29

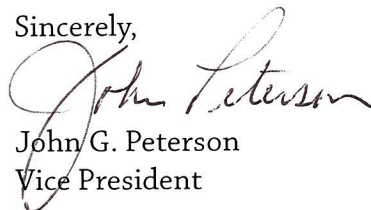

On behalf of Minnesota's 1.8 million anglers, thank you for your support of the MN-FISH Sportfishing Foundation by becoming a Life Member. Your donation of \$250 has been received, which demonstrates your commitment to support our mission to restore, protect and enhance Minnesota sportfishing for present and future generation of anglers to enjoy. It's also a testament of your passion for the great sport of fishing here in Minnesota.

For too long, Minnesota anglers have not had a strong voice in the Legislature or DNR to promote good fishing programs and policies. That's why thousands of anglers and industry stakeholders like you, strongly support MN-FISH. Together we will bring a strong, unified Legislative voice to St. Paul to advocate, lobby and represent the interests of Minnesota anglers and stakeholders. This is our mission, and our pledge to our membership.

As a MN-FISH Life Member, you are entitled to take advantage of the many benefits included in your membership program. They are listed in the enclosed MN-FISH brochure. We are still in launch mode but working hard to build benefits for our membership to include discounts for our exclusive Benefit Rewards Program. Upcoming issues of the MN-FISH e-newsletter will provide more information as we move forward.

Our website (MN-Fish.com) includes our email and phone number. We encourage you to contact us with concerns that affect anglers in Minnesota. Thanks again for your generous support!

Sincerely,

John G. Peterson  
Vice President
